

Directions to Cynthia's studio: I live 9 miles from town. Take East End Rd from town, turn left on East Hill Rd. At the top of the hill, continue straight ahead onto East Skyline Drive for about 4 miles. Turn left on Ohlson Mt. Rd and go 1 mile. Look for my Back Porch Gallery sign and the Pottery Tour sign on left. My house is about 1,000 feet from Ohlson Mt. Rd - you won't see it from the road, but there will be signs along the driveway, which we share with several neighbors. Mine is a wooden house, with many levels of roof. You will see the kiln shed straight ahead.
